Dear Colleagues,

It is with sadness that I write following the passing away of two distinguished member of our community, Luis de Nicolás y Martínez, from Spain and Nifont Dolgopolov, from Russia.

They will both be remembered for their kindness, warmth and their significant contribution to the development of Psychodrama in their countries. Please join us in extending our deepest condolences to their families and beloved ones, as well as the Psychodrama Communities in Spain and in Russia.

On behalf of the FEPTO Council,

Nikolaos Takis
FEPTO President
