

# GENERAL ASSEMBLY

## Treasurer message

Dear colleagues,

You will soon receive the notification for the payment of the annual membership fee for this year.

We are aware that due to the coronavirus outbreak and maybe a decrease in your activities, it might require a greater effort for you. Despite the adversity, we continue to ensure the life of the organization,. Thank you in advance for your understanding!

Since the General Assembly of the Annual Meeting will be held virtually , we will not be able to collect the membership fees.

However, we found a possible way for Institutes which are not part of Europe or the European Union to make payments, <https://transferwise.com/>.

For those who would prefer to pay cash next year for two years, your membership fees will be due before the General Assembly of 2021.

Please wait until you receive the invitation for payment.

Very warmly,

Chantal Nève-Hanquet

Vice president and treasurer
