

FEPTO RESEARCH COMMITTEE MEETING VIENNA 2019

BEYOND NUMBERS AND WORDS

Measuring & Understanding Psychodrama

10th - 13th of October 2019

Sigmund Freud University, Vienna Austria

Dear Practitioner and Researcher in Psychodrama,
Dear FEPTO Colleagues,

It is our pleasure to invite you to participate in the forthcoming

FEPTO RC Meeting from 10th – 13th of October 2019 **SFU Sigmund Freud University, Vienna**

Psychodrama has a long tradition and it is well based on experiences and case studies of many practitioners. However, psychodrama research still needs further development. One of the main objectives of our Research Committee Meeting is to focus on different qualitative, quantitative and mixed methods approaches in psychodrama research. Therefore, the main theme of the RC Meeting will be:

BEYOND NUMBERS AND WORDS **Measuring & Understanding Psychodrama**

If you want to participate, please register and book your travel. Since in this period there are many congresses in Vienna, we strongly recommend making reservation as early as possible.

Preliminary schedule/ programme:

Thursday, 10th of October: 16:30 (registration) 17:00 - 19:30

Friday, 11th of October: 9:00 - 17:00

Saturday, 12th of October: 9:00 - 17:00

Sunday, 13th of October: 9:00 - 13:00

Participation:

Researchers and practitioners, students/ trainees and trainers in psychodrama and everybody who is interested in psychodrama research is invited to join our meeting. Please feel free to forward this email to colleagues and trainees who might be interested to participate. Master or doctoral students are also very welcomed to join us.

Registration:

If you want to participate, please send a confirmation email to: hannes.krall@aau.at

The RC Meeting is supported by FEPTO; therefore **no participation fee is required**. Costs for guided tours or participation in an excursion, lunch, dinner etc. are covered by the participants themselves.

The **goal of our RC Meetings** is to support scientific work and research activities in psychodrama on different levels. As a community of learners in research we want to propose a better integration of scientific work and research in our psychodrama training curricula and to support training of trainers in scientific writing and research.

In our RC Meeting we also want to deepen our research cooperation and networks by working on research designs, research tools, processes and results in applied psychodrama research. In our meeting there will be time for presenting and discussing research projects, creating research ideas and sharing research experiences. And finally, we want to think about publishing our studies in order to share it with our psychodrama community and beyond.

Call for papers/ contributions: deadline for submission 8th of June 2019:

If you want to contribute with a presentation of a project/ paper or a proposal for a new project, please send a short abstract (title/ introduction/ goal or research question/ methods/ findings...). As a format you can choose brief paper presentation/ brief project or poster presentation (5-10 minutes), lectures (15-20 minutes) and structured discussions and/or research workshops (90 minutes). If you have any additional proposals for the programme, let me know.
