R&D Conference Committee 2018

Chair Juan Corlett (Professional Leadership Team)

Secretary Jodi Pinckard (Professional Leadership Team)

Stacey Astill (Keyll Darree)

Dr Kate Kirk (FEPTO)

We are delighted to announce Professor **Mick Cooper** (Roehampton University) as one of our Key-note Speakers on Friday 9th February 2018. Further keynote speakers will be announced in due course.

Help us contribute to current understanding of the mind by exploring the concept of mental health as a construct, examining the different cultural perspectives of mental illness, and considering the international understanding of research and treatment.

Papers and discussions will include, but are not limited to:

- v Current research in mental health and related topics, including children and adolescents (at all life stages, and in different contexts)
- v Disseminating research findings on themes related to the conference title
- v Promoting cross border communication, sharing and networking
- v Generating knowledge exchange between students, academics, and practitioners
- v Encouraging the voices of service users, carers, and practitioners to be heard
- v Experiences of stigma by those with perceived mental health problems
- v The power(?) of diagnosis

Looking forward to seeing you on the Isle of Man

Johannes Krall

Chair of FEPTO RC
