

Dear Friends of Psychodrama,  
Dear FEPTO Colleagues,

I hope this reminder for our upcoming **FEPTO RC Meeting from 5-8 of March in Istanbul** finds you well. Our general theme will be

**New horizons through changing perspectives**  
**- Research and innovation in psychodrama**

The Research Committee Meeting will take place at Bilgi University in Istanbul. Many thanks to our local hosts **İnanç Sümbüloğlu & Ayşe Altan from the Dr. Abdulkadir Ozbek Psychodrama Institute** for their invitation to come to Istanbul. We are also glad to inform, that the meeting will be held in partnership with the **Istanbul Psychodrama**

**Institute.** Researchers and practitioners, students/ trainees and trainers in psychodrama and everybody who is interested in psychodrama research is invited to join our meeting. Please feel free to forward this email to colleagues and trainees who might be interested to participate. Master or doctoral students are also very welcomed to join us.

I want to thank all of you who have already registered for the conference (hannes.krall@aau.at). If you need time in the programme to present or discuss topics which are related to psychodrama research, let me know until **Friday 10<sup>th</sup> of January 2020**. For contributions I would need an abstract, a short professional cv and a picture of you (for the list of abstracts and the final report).

(For more information see below in this email)

I am very much looking forward to welcoming all of you in Istanbul.

Now we are approaching Christmas and the beginning of the New Year. On behalf of our FEPTO Research Committee I want to wish you and all your beloved ones

*Joyful Season Holidays,*

*Peaceful Christmas and Happy New Year*

With love and gratitude,  
Johannes Krall  
Chair of FEPTO Research Committee

### **More detailed information about the RC Meeting in Istanbul:**

With great pleasure I am sending to you an invitation to our forthcoming **FEPTO RC Meeting in Istanbul from 5-8 of March 2020**. Please save the date!

**The goal of our RC Meetings** is to support scientific work and research activities in psychodrama on different levels. As a community of learners in research we want to propose a better integration of scientific work and research in our psychodrama training curricula and to support training of trainers in scientific writing and research.

In our RC Meeting we also want to deepen our research cooperation and networks by working on research designs, research tools, processes and results in applied psychodrama research. In our meeting there will be time for presenting and discussing research projects, creating research ideas and sharing research experiences. And finally, we want to think about publishing our studies in order to share it with our psychodrama community and beyond.

### **Call for papers/ contributions: deadline for submission 10<sup>th</sup> of January 2020:**

If you want to contribute with a presentation of a project/ paper or a proposal for a new project, please send a short abstract (title/ introduction/ goal or research question/ methods/ findings...). As a format you can choose brief paper presentation/ brief project or poster presentation (5-10 minutes), lectures (15-20 minutes) and structured discussions and/or research workshops (90 minutes). If you have any additional proposals for the programme, let me know.

### **Preliminary schedule/ programme:**

Thursday, 5th of March: 16:30 (registration) 17:00 - 19:30

Friday, 6th of March: 9:00 - 17:00

Saturday, 7th of March: 9:00 - 17:00

Sunday, 8th of March: 9:00 - 13:00

### **Registration:**

If you want to participate, please send a confirmation email to: [hannes.krall@aau.at](mailto:hannes.krall@aau.at)

The RC Meeting is supported by FEPTO; therefore **no participation fee is required**. Costs for guided tours or participation in an excursion, lunch, dinner etc. are covered by the participants themselves.

LOC Local Organizing Committee:

Many thanks to our local hosts. They will be available for any further question regarding accommodation and travelling.
