

Dear Psychodrama and FEPTO Colleagues,

We hope you are all well in these difficult times. We would like to send a reminder of our upcoming FEPTO RC Meeting from the 20th to the 23rd of October 2022 in Torino. Save the date!

The Torino Meeting will be the first FEPTO RC Meeting since Istanbul 2019 to take place live and in person. We will have the opportunity to reconnect with the last RC Meeting of 2019 and the works presented online in these two years.

The meeting will be hosted by our colleague from the **Studio di Psicodramma of Torino - Milano - Treviso**. Many thanks are going to **Marco Greco**.

The theme will be:

**Research on Psychodrama  
In between social crisis, life and death**

*Death is the constant reality that humanity faces. However, we know that there are ways to cultivate hope and bless life and we see psychodrama as one of the keys to a world where people can be creative and feel solidarity.*

*Participate in our meeting and share impacts of your psychodrama works in a scientific way.*

**Call for abstracts/ contributions:**

If you want to contribute with a presentation of a project or a proposal for a new project, please send a short abstract (title/ introduction/ goal or research question/ methods/ findings...). As a format you can choose brief paper presentation/ brief project or poster presentation (5-10 minutes), lectures (15-20 minutes). If you have any additional proposals for the programme, let us know. For contributions we would need an abstract, a short professional CV and a picture of you (for the list of abstracts and the final report).
