

## ANNOUNCEMENT FROM THE FEPTO COUNCIL

Dear Colleagues and Members of the FEPTO Community,

As you have been already informed, the Annual Meeting of our Federation will not be taking place this year due to the COVID-19 pandemic. In our last Council meeting, it has been decided that the General Assembly will be held online, as it happened last year, on **Saturday, 15<sup>th</sup> of May 2021, from 10.00 a.m. until 5.30 p.m.**

The agenda of the General Assembly will be published in the Newsletter 21.1.

Secondly, in this General Assembly we will hold elections for the new FEPTO Council, according to the Constitution of our Federation. The ballot will take place online. You will receive another announcement with more detailed information and instructions about the voting procedure in due time. We are currently working on the technical aspects of the online elections, as this is a new, unprecedented experience for all.

We seize the opportunity to encourage anyone interested in standing as a candidate for the FEPTO Council!

It is also announced that the FEPTO Conference will be held online this year, on **Friday, the 14<sup>th</sup> of May 2021**. The title will be: ***“Encounters in the Online Surplus Reality”***. A call/ invitation for online workshops and lectures will be sent soon by Mirjana Stojanovska and the Local Organizing Committee of N. Macedonia.

Although we would all prefer to meet and greet each other face to face, we do not have this option for the moment. Nevertheless, we try to safeguard the proper functioning of our Federation within the pandemic's dire circumstances. We hope that it will end soon, and we will have the chance to meet again and continue our activities and projects in physical presence, not only virtually.

With our warmest psychodramatic wishes,

The FEPTO Council
