

### **Daiva Rudokaitė (1969-2023)**

Dear members and sympathizers of the Lithuanian Psychodrama Society, we have to inform every one of the very sad news that today our friend, psychodrama therapist, teacher, supervisor, long-time president of the society and honorary member Daiva Rudokaitė left us.

We are shocked by this news and keep its bright memory in our minds. We will remain eternally grateful for her tireless energy and enormous contribution to the development of the society (LPdD) and psychodrama in Lithuania.

In 2009-2018, Daiva was the president of the Lithuanian Psychodrama Society, and in 2018 she was awarded the title of honorary member of the society.

We wish strength to her family, loved ones and all who knew her. Rest in peace. We will miss her very much. ♥♥♥
