sociodrama and sociometry

find out more...

"Double" is annual bilingual international psychodrama journal. The aim of the journal is to publish and promote high quality articles and information relevant to the theory, practice and clinical research in psychodrama, sociodrama, sociometry and related psychotherapy modalities and disciplines. Special emphasis is placed on the exchange of ideas between psychodramatists of different theoretical and cultural backgrounds, and on establishing and promoting new creative relationships between psychodrama, sociodrama, sociometry and social and natural sciences.
