

Dear members of FEPTO,

In connection with the 30th anniversary of our organization, we are starting a project to create a Media Archive of FEPTO.

We are appealing to you!

If you have **written documents, photos, videos or audio records**, with captured important or just dear **moments, people, events** from the **history** and **everyday life** of FEPTO and its Network groups from **the last 30 years**, and **if you are ready to share** these precious moments you possess, please contact us at:
feptollywood@gmail.com

We are really attracted to the idea of storing together our common memories. Such an Archive can be an important source of information for all of us and also for the future chroniclers. There are people who will care and will be grateful for your efforts.

The Archive **will not be public**, but we will be able to make certain clips or films public for the purpose of advertising and promoting FEPTO, Psychodrama and Sociodrama.

Except where otherwise noted, the content on Archive will be licensed under a [Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International](https://creativecommons.org/licenses/by-nc-sa/4.0/) License.

The video files and other large files or sets of files you can send to us with [WeTransfer](https://www.wetransfer.com/)

WeTransfer is the simplest way to send your files around the world. Share large files and photos. Transfer up to 2GB free. File sharing is easy!

Smaller sets of photos, audio and written documents you can send through email to the same address: feptollywood@gmail.com

If you have problems or additional questions feel free to write to us.
