15th FEPTO Conference and 28th Annual Meeting

Dear Colleagues and Members of FEPTO Community,

We kindly inform you that despite our desire to meet in person this year in Ohrid, the unprecedented condition of the COVID-19 pandemic, does not allow us to announce any activity that requires physical presence.

However, a new hope seems to be instilled, with the promising vaccines and medicaments that have been released lately.

Therefore, the final decision on whether both FEPTO events will be held, and in which format, will be made during the next Council Meeting, at the end of January.
