

## First Online FEPTO Conference: Call for Proposals

Dear Colleagues and Members of the FEPTO Community,

We gladly announce the **First Online FEPTO Conference**, which will be held on **Friday, the 14<sup>th</sup> of May 2021**. We invite you to submit your proposals for online **workshops** and/ or **lectures**!

### *“Encounters in the Online Surplus Reality”.*

The unprecedented experience of the Covid-19 pandemic was very challenging for all of us. The reality in which we live and work has changed dramatically over the last year. We were forced to postpone both FEPTO Conference and Annual Meeting. Our psychodramatic activities, practice and training, have transitioned to the virtual environment of online platforms. This transition generates a new experience for us and our groups. The virtual reality of the internet, may be considered like an alternative form of the surplus reality that is created in psychodrama. The surplus reality we encounter in the psychodrama becomes parallel to the reality of everyday life. It is enough to take our eyes off the screen, and we can turn it on or off. The aim of this Conference is to explore the experience of the online psychodramatic encounters and provide opportunities for exchanges on this topic, between the members of our community.

It will be a one-day conference, and will consist of online workshops and lectures.

The workshops will last 90 minutes.

The lectures will last 30 minutes, followed by a 15-minutes discussion.

To apply, you need to fill out the attached form. Please submit the completed forms by **March 31st. Please send your proposals by email at [FEPTOonline@gmail.com](mailto:FEPTOonline@gmail.com)**

The program of the Conference will be announced on April 10. Then there will be a call for participants to choose a workshop and lecture. **There will not be a registration fee.** The FEPTO Online Conference will be **free of charge**.

Please send your proposals on [FEPTOonline@gmail.com](mailto:FEPTOonline@gmail.com)

With our warmest psychodramatic wishes,

Mimi-Mirjana J. Stojanovska and the Local Organizing Committee of N. Macedonia.
