

Regulations
Concerning the use of FEPTO logo

Dear Members of FEPTO Community,

It is announced that the use of the FEPTO logo is not allowed to appear on documents, posters, emails and announcements of training institutes, accrediting organizations, and national/local organizations of psychodrama. The member institutes and / or accrediting organizations are welcome to mention in their official documents their membership to FEPTO, without publishing the logo.

The logo can be used only with the written consent of the FEPTO Council, in the case that FEPTO is one of the organizers / partners / hosts of a specific project or event.

It is also noted that the training institutes/accrediting organizations/founding members are welcome to mention their membership to our Federation, but they should not state in any document that they are accredited by FEPTO, as the Federation does not provide accreditation.

The FEPTO Council
July 2020
