As secretary, I was involved in the planning of the GA, wrote the minutes of the online General Assembly on 22-23-24 May. Cooperating with Ina Ilieva as co-editor of the FEPTO Newsletter; worked with Fred Dorn, Nikos Takis and Chantal Hanquet on the Constitution change; sent out information of different online events organised by FEPTO. We had several online meetings and frequent discussions within the Executive board. I corresponded with members about various issues, such as representation at the General Assembly, online management of training, and gave information about the actual state of Ohrid Annual Meeting.

The executive board (Nikos Takis, Chantal Hanquet and I as secretary) met in Munchen in February. The last face to face meeting.

MESSAGE OF THE TREASURER

To all institutes,

Many of you have paid the 2020 membership fee. Some institutes have just received a reminder to pay their membership fee, so as to end the fiscal year in balance. Undoubtedly, we will have a profit because the activities, by videoconference, have been less expensive. Thank you for your collaboration
